1. In accordance with the Data Protection Act 1998, the information you have provided on this form will be used by SWIP Multi-Manager Funds Limited to set up and administer your account. We may also use it for market research, statistical purposes and the prevention and detection of fraud. In cases where it is considered necessary for the prevention and detection of fraud or other financial crime, your information may be shared with other financial companies. We will keep the information you have supplied confidential and will not share it with others without your agreement, except where the law permits, when it may be disclosed to law enforcement agencies, Ombudsman and Regulators and except in the circumstances that follow.

Your information may be shared with financial advisers or people acting on your behalf. It may also be shared with others in connection with administering your investment and services for you. In addition, it may be shared amongst Lloyds Banking Group companies to: provide the service you applied for, to update our records and to identify other products and services which may interest you.

If you would prefer not to receive details of other products and services, please tick here . Other Lloyds Banking Group companies will not make marketing approaches to you unless you already have a relationship with them.

Under the terms of the Data Protection Act 1998 you are entitled to request a copy of information we hold relating to you. A small charge will be payable.

We may administer your investment and provide other services from centres in countries outside Europe (such as India and the USA) that do not always have the same standard of data protection laws as the UK. However, there will be a contract in place to ensure that your information is adequately protected, and we will remain bound by our obligations under the Data Protection Act even when your personal information is processed outside the European Union.

2. Under current Money Laundering regulations, there is a requirement to prove the identity of people who wish to take out an investment.

- ▶ I/We enclose two original forms of identification confirming my name and address. One of these must be a government issued document.
- ▶ As a Corporate Investor I/we enclose a copy of our articles of association or equivalent (if applicable).

We will carry out an electronic search of information held on the electoral role and credit reference agency databases.

Any such cash balances held will be deposited with Lloyds TSB Bank plc (or with such other bank as the ACD may choose from time to time). Lloyds TSB Bank plc is an approved bank. Both Lloyds TSB Bank plc and the ACD form part of the Lloyds Banking Group. Your cash will be held in accordance with the rules of the Financial Services Authority (FSA). 4. I/We understand that shares will be purchased at the next price calculated following receipt of our correctly completed instructions and payment.

For the purpose of dealing in units of the fund only, all investors will be regarded as retail clients. This does not however restrict the type of share class that can be invested into nor determine whether investors will be eligible complainants or eligible claimants for the purposes of FSA complaints and compensation rules.

6. It is important that we verify your identity in order to keep our records up to date, please ensure you supply us with all the relevant documents to verify your identity. If we do not receive the relevant documentation, we are unable to do the following:
