

DO YOU HAVE THE DRIVE TO HELP MOVE OUR BUSINESS FORWARD?

Based in Edinburgh, Scottish Widows Investment Partnership (SWIP) is one of Europe's largest asset management companies. SWIP manages funds for a wide range of UK and international clients and is the centre of fund management excellence for the Lloyds Banking Group, with £82.6bn assets under management.

SWIP has exciting plans to develop its business to ensure that it remains at the very forefront of market innovation and customer solutions. To help drive the business forward, the following roles have been created:

► Fixed Income and Cash

SWIP's Fixed Income team manages assets worth £42bn across a diverse range of funds including Global, European & UK Government Bonds, Inflation Linked Bonds, Cash, Money Markets, Investment Grade Credit and High Yield.

With the growth of the business we are looking to recruit a number of roles for our Fixed Income and Cash team:

Global Government Bonds – Investment Director

In this role you will have a proven track record and a significant understanding of global economics, bond, currency, investment markets and principles. You'll bring substantial market and fund management experience, with the capability of interfacing with clients and investment consultants. Ref: 91

Senior Credit Fund Manager

This senior role requires strong presence in the market with a proven performance track record and knowledge of the UK and European credit markets. Ref: 89

Cash – Investment Manager

This is an exciting opportunity for an experienced cash investment manager to work within a commercially driven team. Principally assisting in the management of cash and liquidity funds, you will also deliver effective input to client meetings. Ref: 90

Investment Grade / High Yield Analysts

An experienced hands-on Analyst, you will be working within fund management, sell-side or be a seasoned high yield or loan analyst. You will be given sector responsibility and will work closely with fund managers to influence investment recommendations. Extensive accounting knowledge and cash-flow modelling skills are essential to the role. Ref: 87

UK Government Bonds – Junior Investment Manager

A unique opportunity to develop fund management skills within the UK Gilt and Index linked markets. Providing support and input in all aspects of the management of funds you'll possess strong verbal and written communication skills combined with a can do attitude. Ref: 92
